

# Application for support by Joint Arctic Command (JACO)

Basic information				
1.	* Date of application (DD-MM-YYYY):			
2.	* Title of project:			
<b>Principal Investigator (PI)</b>				
3.	* Name:			
4.	* E-mail address:		5.	* Phone:
5.	Link to personal webpage:			
<b>Contact person – if different from PI</b>				
6.	Name:			
7.	E-mail address		9.	Phone:
<b>Institutional information of the applicant</b>				
8.	* Institution:			
9.	* Address:			
10.	* Phone:			
11.	Link to website:			
<b>* Type of Expedition</b>				
20.	\$14 project:	Research:	Private:	
<b>Project information</b>				
21.	* Brief description of project purpose (max 1000 characters):			

**Application deadline for support the coming season is January 15<sup>th</sup>**

**Applications received after January 15<sup>th</sup> can still be supported if there are free capacity**

Information in field 1, 2, 3, 4 and 8 will be published on the status page at [www.isaaffik.org](http://www.isaaffik.org)

22.	Link to project website, if any:	
23.	* Has the project been evaluated and approved by the applicant institution?	Yes: No:
24.	* Is the project going to remote parts of Greenland?	Yes: No:
25.	In the event that the project is going to remote parts of Greenland has the project then sent a permit application for travel in remote parts of Greenland to the Greenland Government?	Yes: No:
26.	Insert Permit number from Greenland Government (If available)	
27.	* Have you uploaded your project to Isaaffik.org	Yes: No:
28.	Link to Isaaffik.org	

**Specification of needs for logistics support and/or requirements for non-intrusive research operations from JACO platform**

**\* Application form is for logistical support and non-intrusive research activities**

30.	Logistic Support only:	31.	Non-intrusive research:
32.	Equipment – Specify (Max. 250 characters):		
33	<p>Access to – and Accommodation at – the Military Facilities:</p> <p>Access<sup>1</sup>                      Station Nord:                      Daneborg:                      Mestersvig:                      Ella Ø:</p> <p><small><sup>1</sup>In accordance with: Application form for Travel in Remote Areas of Greenland: <a href="http://naalakkersuisut.gl/en/About-government-of-greenland/Travel-activities-in-remote-parts-of-Greenland">http://naalakkersuisut.gl/en/About-government-of-greenland/Travel-activities-in-remote-parts-of-Greenland</a></small></p> <p>Accommodation                      Station Nord:                      Daneborg:                      Mestersvig:                      Ella Ø:</p>		
34.	* Which specific geographical locations are of interest for the project?		
	Name of location	Latitude (N) - Longitude (W)	

**Application deadline for support the coming season is January 15<sup>th</sup>**

**Applications received after January 15<sup>th</sup> can still be supported if there are free capacity**

Information in field 1, 2, 3, 4 and 8 will be published on the status page at [www.isaaffik.org](http://www.isaaffik.org)

35	* Map of geographical region of interest including above described locations, each marked and labelled, must be attached to this application.	Attached map  Yes:
36.	* Platform request:      Air:                              Sea:                              Land:	
37.	* Brief description of platform request and research to be carried out. Max: 1500 characters:	
38.	* If either time, capacity or other factors does not allow JACO to support the entire platform request, would support of a minor, prioritized part of request then be of any interest?	Yes: No:  If "Yes" – answer section 39-40
39.	* First priority and minimum support to make sense for the project at all:	
	1 <sup>st</sup> priority:	
40	* Next priorities depending of time - from the project description	
	2 <sup>nd</sup> priority: 3 <sup>rd</sup> priority:	
41.	* Platform requirements (e.g. specific workspace required, access to power or data) (Max. 500 characters):	

**Application deadline for support the coming season is January 15<sup>th</sup>**  
**Applications received after January 15<sup>th</sup> can still be supported if there are free capacity**  
Information in field 1, 2, 3, 4 and 8 will be published on the status page at [www.lsaaffik.org](http://www.lsaaffik.org)

Cargo – * if any			
50.	Description of cargo (Max. 350 characters):		
51.	Estimate of cargo volume (m <sup>2</sup> ) (Max. 250 characters):		
52.	Estimate if cargo weight (Kg) (Max. 250 characters):		
53.	Dangerous goods (By transportation the applicant must give needed DG documents and ensure that the cargo is packed and labelled in according to the DG regulations) (Max. 250 characters):		
54.	Need of special handling of cargo (E.g. Fragile, do not freeze and so on):		
Practical information			
60.	Preferred vessel (if any) and rationale:		
61.	* Requested itinerary and preferred dates or period:		
Start:		End:	
62.	* Flexibility of period:		
63.	Reasoning for preference of period – if any (Max. 350 characters):		

**Application deadline for support the coming season is January 15<sup>th</sup>**  
**Applications received after January 15<sup>th</sup> can still be supported if there are free capacity**  
 Information in field 1, 2, 3, 4 and 8 will be published on the status page at [www.lsaaffik.org](http://www.lsaaffik.org)

<b>Participants – * if any</b> Each participant is expected to have the necessary health and safety documentation required by JACO and cover all costs for travel and housing in conjunction with journey to and from the operation. Small charge per person may be applicable for catering during operation (e.g. onboard Naval vessel).					
70.	Number of travelling participants, if any. Each travelling participant is allowed up to 20 kg personal baggage plus hand baggage up to 8 kg			Fill in data for each participant below	
71.	1. Name:				
72.	1. E-mail address:			73.	Phone:
74.	1. Institutional address:				
75.	2. Name:				
76.	2. E-mail address:			77.	Phone:
78.	2. Institutional address:				
79.	3. Name:				
80.	3. E-mail address:			81.	Phone:
82.	3. Institutional address:				
83.	4. Name:				
84.	4. E-mail address:			85.	Phone:
86.	4. Institutional address:				
87.	5. Name:				
88.	5. E-mail address:			89.	Phone:
90.	5. Institutional address:				
100.	Any relevant additional information to help assessment and planning of operation (Max. 350 characters):				

110	Appendices to be attached
	<ul style="list-style-type: none"> <li>• Map of research area</li> <li>• Pictures of special equipment</li> <li>• Other relevant information</li> </ul>

**Application deadline for support the coming season is January 15<sup>th</sup>**  
**Applications received after January 15<sup>th</sup> can still be supported if there are free capacity**  
 Information in field 1, 2, 3, 4 and 8 will be published on the status page at [www.lsaaffik.org](http://www.lsaaffik.org)

Study site is shown with yellow mark.

All fieldwork within 20 km and only on land.
