Application for support by Joint Arctic Command (JACO)

Instructions

- All items in this form must be answered by the applicant before submission.
- The completed form must be e-mailed to the Isaaffik secretariat: <u>info@isaaffik.org</u> with cc to applicant's institution Isaaffik logistics coordinator. See list of local logistics coordinator at: <u>http://www.isaaffik.org/isaaffik-contact-info</u>
- Each application must be evaluated and approved by applicant's own institution before submittal to Isaaffik.
- This application form is for logistical support and non-intrusive research activities.
 - Logistic support is defined as assistance of cargo freight or personnel transport, accommodation and equipment.
 - Non-intrusive research is defined as activities that potentially can be carried out during normal JACO operations free from additional economical expenses or time constraints for JACO.
- The application can cover either one or both of the above categories.
- Please note that the more specific the application is with regards to requirements and description of activity the easier it will be for Isaaffik and JACO to assess and the higher the likelihood of being successful.
- Priority of support
 - 1. §14 project
 - 2. Research projects
 - 3. Private projects

Information in field 1, 2, 3, 4 and 8 will be published on the status page at www.lsaaffik.org

^{*} Mandatory fields to fill in

1. * Date of application (DD-MM-YY): 2. * Title of project: Principal Investigator (PI) 3. * Name: 4. * E-mail address: 5. Link to personal webpage: Contact person – if different from PI 6. Name: 7. E-mail address 9. Phone: Institutional information of the applicant 8. * Name: 9. * Address: 10. * Phone: 11. Link to website: * Type of Expedition 20. \$14 project: Research: Project information 20. * Brief description of project purpose (max 100 words):	Basic information
